Initial each of the following:

- _____ 1. I agree to house/feed the foster dog and keep it safe. This means walking it on a leash in a fenced yard.
- _____ 2. I agree not to promise any pups to anyone, although I am encouraged to network through social media.
- _____ 3. I agree to call Ruth immediately if a dog runs off, and not to chase it, as I may cause potentially a life-threatening situation.
- _____ 4. I agree that I will be fostering this dog until the date of _____ and I agree that if I am unable to keep my commitment, then I will give Ruth 24-hour's notice.
- _____ 5. I agree to contact Ruth immediately if the foster dog is sick, as she uses her own vets that are discounted. Trooper's Treasures will not reimburse for any vet visits without its consent.
- _____ 6. I agree that fostering a dog is a big responsibility. If the dog is injured or becomes sick or dies due to negligence while in my care, I assume full financial responsibility unless authorized by Ruth.
- _____ 7. I agree to return the foster dog to Ruth immediately if she requests it.
- _____ 8. I agree that all equipment that I borrow will be returned on _____ and if not, then the full price of the item will be added to the adoption fee.
- _____ 9. I agree that my foster might have to be spayed or neutered or have a routine vet visit while in my care and that I will provide transportation to appointments and present all paperwork when asked.
- _____ 10. I agree to provide adequate food, water, bathing, shelter, exercise, and humane treatment to the foster dog at all times. I also agree to adhere to all state and local animal laws:
 - House the pet inside. It should not sleep outside.
 - Do not chain the pet at any time.
 - Do not let the pet roam free outside.
 - Do not transport the pet in a convertible or in the back of a truck.

By signing below, I am acknowledging that I am fostering only the dog entrusted to my care and will return the dog on the date of _____. If I choose to adopt the dog, I must follow the guidelines of Trooper's Treasures and complete the application process and pay the fees.
